# Carmel Tebbutt

Effective | Experienced | Progressive

“ I've been privileged to work with our local community over the last 5 years.

Quality schools, upgraded health services and improved transport are just some of the things we have been able to achieve.

With your support we can make Marrickville even better.

Carmel Tebbutt ”

# KEEP CARMEL

TOE

## 3 GOOD REASONS TO KEEP CARMEL

**1** Carmel is an **effective** local member who delivers for Marrickville.

The Light Rail to Dulwich Hill, upgrades at Royal Prince Alfred Hospital, a new community health centre, new facilities in all primary and high schools, new Metrobus routes and increased funding for local community organisations are just some of what Carmel has achieved.

**2** Carmel has the **experience** to tackle the challenges locally and across NSW.

Carmel delivered 1000 new child protection workers, lower school class sizes in years K-2 and increased funding and support for people with disabilities and their families. Carmel was pivotal to saving the River Red Gum forests in NSW.

**3** Carmel is a strong **progressive** voice who cares for all who live and work here.

Carmel supports equality for all. She has worked hard with our diverse communities and their organisations, she is a strong supporter of rights for same sex couples. Carmel voted for strong laws that better protect women and children.

**We could learn a lot from  
crayons... Some are  
sharp, some are pretty  
and some are dull. Some  
have weird names, and all  
are different colours, but  
they all have to live in  
the same box.**

So go, if you're able, to  
somewhere unstable  
And stay there  
Whip up your hate in some  
tottering state  
But not here, dear  
Is that clear, dear?

To be yourself  
in a world that is  
constantly trying to  
make you something  
else is the greatest  
accomplishment.
